

The Communication and Interaction Charter Mark

Mrs L Thorpe
Head Teacher
The Grange Primary School

8th October 2015

Dear Mrs Thorpe,

I am pleased to inform you that your school has been awarded the North Lincolnshire Communication and Interaction Chartermark. I would like to thank Miss Thomas and the other representatives from your school for coming to the moderation panel on 8th October 2015 to present the audit and policy which has been completed at The Grange Primary School. The panel was very impressed with the work you had undertaken to develop the communication and interaction skills of the pupils who attend your school. The panel also felt that you had a whole team approach, with members having their own responsibilities and ownership, but also very supportive of each other.

Over the next three years we would like you to continue with the Action plan you have drawn up and would like you to look at the following areas in particular:

- to maintain what has already been achieved when you have moved in to the new school
- to capitalise on your staff and pupils attending one environment

Once again congratulations on being awarded The North Lincolnshire Communication and Interaction Charter Mark.

Yours sincerely,

Karen Clifford
Representative of North Lincolnshire Communication and Interaction Charter Mark Panel
