Dear Parents/Carers

School Trips

As a school, we do not require parental consent for the majority of off-site visits and activities offered. Year group visits to local amenities such as the museum, cinema or Normanby Park are part of the school curriculum, usually take place during the school day and do not require written parental consent.

Parental consent is only required for off-site educational visits which:

- Include nursery age from 3 years of age to 4
- Take place out of school hours
- Pose a higher risk such as using a climbing wall

We shall not be sending letters with parental permission slips at the bottom for our visits but we will always write to let you know about the visit so that you may contact school if you have any concerns.

Yours sincerely,

Miss S Wray
Administrative Assistant
