

Welcome

September 2016

WELCOME

I hope that you and your children had an enjoyable summer holiday, and feel refreshed and ready for the new academic year. We are very pleased with the grounds of our new site and as the grass grows have no doubt that it will look better. There are still some finishing touches on-going.

A special welcome to the new families starting this term. I do hope that your first days with the school are happy ones, and that your children settle in quickly. Please let your child's class teacher or learning assistant know if you have any concerns.

Clubs

With the exception of the football club, all the school clubs will be held on Wednesday's. The first ones will begin on Wednesday 14th September and the last session will be on Wednesday 19th October.

Home/School Agreements

Home / School Agreements are in the individual pupil planners. Please can you ensure that they are signed by the parent/carer. The agreements underpin our philosophy and it is vital that we are all on board and working in partnership. Thank you.

School Rewards – Good to be Green and Big Treat

Once again we start this term with our well earned recognition rewards. Year 1 join us from this term for both and FS2 (Reception) join us from the Big Treat only. Please read the letter regarding this and address any concerns with the class teacher to avoid any disappointments at the end of each full term. Year 2 to Year 6 are now very familiar with what these rewards are about and I hope that we are able to reward every single child in these activities.

Homework

Homework will be sent home on Fridays to be returned by the following Friday. I'm sure you'll agree that the timing provides ample opportunities for the exercises to be completed.

Kindly refrain from parking in the disabled car parking spaces. We have limited spaces and these are reserved for people issued with a **blue badge**, let's respect the purpose of these spaces. The office will be monitoring the use of these spaces and if abused, the school will not hesitate to take further action which could result in a ban from our premises. Thank you for your co-operation.

Premises

Both entrances from Southfield Road and Cornwall Road are now in use. Pedestrian access routes are clearly signposted throughout the grounds and staff are on hand to direct you for this first week. Kindly use the appropriate pathways as these are in place for your safety.

Gates open at 8.40am and class registration takes place at 8.50am.

We kindly request that parents of KS2 children stand behind the cones to ensure safe distribution of children

Welcome

September 2016

Year 6 2016 (now Year 7) Progress R

I thought it important to let you know that once again our Year 6 pupils did very well in terms of the progress they made between Year 1 and Year 6

We were significantly above the national expectation in all three subject areas – Reading, Writing and Maths. So, once again, well done to everyone involved

Healthy Packed Lunches

In our quest to maintain our healthy schools status please ensure that you child/children's packed lunch follows government guidelines. Information can be found through the following links:-

<http://www.nhs.uk/Change4Life/Pages/healthy-eating.aspx>

School Crossing Patrol – Cornwall Road

As you may be aware there is no School Crossing Patrol cover at the Cornwall Road / Grange Lane South position.

North Lincolnshire Council are responsible for this provision and are in the process of recruiting.

We hope that this will be resolved quickly.

Bikes

Presently there are no secure areas for bikes to be locked on the school premises. This will change in the future when the grounds have been completed. In the meantime please do not leave any bikes or scooters on the school premises.

Packed lunches should contain a balanced diet including fruit and vegetables. Please limit sweet items to **ONLY ONE**. Children will be rewarded for heaving a healthy packed lunch.
