

SPORTS PREMIUM 2016-2017

What is the Sports Premium? Information from www.gov.uk

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16 and 2016/17 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. The money can only be spent on sport and PE provision in schools.

Recently the government have committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million.

How to use the PE and sport premium – from www.gov.uk

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years.

Our Vision

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

Sports Premium Funding 2016-2017 Provision

The Sports Premium Funding 2016-2017 for The Grange Primary School is £9588.00.

This is used to increase the quality and breadth of PE and Sport Provision and increasing participation in PE and Sport by: -

- developing an annual bespoke PE and Sport Action Plan
- providing curriculum support, such as the Rawmarsh PE scheme and high quality CPD for teachers and learning assistants
- ensuring the provision of High Quality Coaching support across a variety of sports
- ensuring the provision of an after-school activity in every term in a variety of sports
- identifying opportunities for young leaders to practise their skills through volunteering in schools
- improving the quality of materials for PE/Sport in our school.

Actions

- Continue with Active Lunchtimes. Teach the lunchtime games in PE lessons. Up-skill lunchtime supervisors with the rules of the games and train pupil Play leaders in Y2/Y4/Y6 to help run the games.
- Provide extra-curricular sports clubs, such as Cross-country and Street Dance after-school clubs currently running for Y3, 4, 5 & 6 and the Football club in Y1, 2 & 6.

- Provide specialist sessions in a wider range of activities not on the PE curriculum. Two hours per week in-school specialist coaching throughout the school year for Multi-Skills currently running in Y4 and Y1 and Zumba in Y2 and Y3. £3360 allocated to-date.
- During the Spring term, there will be a further two hours per week for In-school coaching for Basketball in KS1 and 2 on a rota half-termly basis.
- Include children with SEN and Disabilities in PE and Sport Activities (such as Boccia).
- Teachers teaching specific PE skills using the Rawmarsh PE scheme. Consistent use of the key skills to ensure fluidity and coverage of lessons.
- Purchase additional equipment/resources for PE/swimming lessons, after-school clubs and lunch-time activities. Also, new spare PE kits for each Key Stage group and Play Leader vests for each Play Leader.

After-school clubs

Overall Impact and Sustainability

- ⤴ The children are enjoying PE and making progress with their skills in a wide range of sports (including those not on the curriculum). Increase in the number of children attending the range of after-school clubs on offer. Children attending these clubs regularly have also shown more improvement within their PE lessons.

- ⤴ More children are involved with the activities ran through the Play Leader lunchtime scheme. Children are becoming more familiar with the rules of the games and are working better in teams.
- ⤴ Activities such as the introduction of Zumba, Street Dance and Rocketball have enhanced the variety of our offer to pupils. With the vast array of sporting activities, including those offered as after school sports, has seen an increase in the number of children engaging in physical activities. This is supported by attendance registers. Clubs are oversubscribed.
- ⤴ The provision of football, cross country and bench ball is enhancing our children steam skills and competitive qualities in preparation for them participating in competitions in the future.
- ⤴ Discipline and development of co ordination and rhythm, memory retention, pace are all being improved through our provision.
- ⤴ Children have a better appreciation and understanding of the importance of sports and the impact of this on their daily and future lifestyle choices.
- ⤴ Sustainability of the actions from funding is gained through staff development and purchase of resources.
- ⤴ The play leader system is sustainable through pupil mentoring and shadowing, allowing children to pass on their skills to the next group of children who will lead.

School Sports Premium Funding Statement 2014 to 2015

Period 1st September 2014 to 31st March 2015

What is the Sports Premium?

The government is providing funding of £150 million each year for academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. This funding will continue until 2020. The funding is jointly provided by the Department for Education, Health and Culture and Media and Sport. It will see money going directly to primary schools to spend on improving the quality of sport and P.E; each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at The Grange Primary School, this will mean around approximately £10,000 a year. The money can only be spent on sport and PE provision in schools. The purpose of the funding is for schools to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

Our Vision

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

- Spring Term 1st half - activity skill focus was on Invasion Games, teaching learning, passing and shooting techniques as well as special awareness and teamwork.
- Spring Term 2nd half - focused on fitness. Our aim is to improve the overall fitness of our pupils and to encourage and promote exercise in everyday activities.
- Summer Term 1st half – focused on hand-eye coordination through racket sports (tennis and rounders)
- Summer Term 2nd half – preparation for sports day.

Along with our pupils receiving a minimum of one hour of PE per week, we also offer the pupils a choice of

activities and quick five minute activities for the class teacher to use in the classroom.

We provide a minimum of four afterschool clubs which change on a termly basis such as: Multi-skills, Skipping, Football, Cricket and other team sports.

We have purchased the updated version of the Rawmarsh PE Scheme. This provides us with many ideas for activities and lesson plans, enabling all staff to update their CPD and information to teach PE Lessons.

In total The Grange Primary School received a grant for the amount of £5571 (1st September 2014 to 31st March 2015) to fund PE & Sports for both KS1 & KS2.
