

**SPORTS PREMIUM  
2018-2019**

**What is the Sports Premium?  
Information from www.gov.uk**

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16, 2016/17 and 2017/18 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools.

*Recently the government have committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million.*

**How to use the PE and sport premium – from www.gov.uk**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years.

**Our Vision**

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

**Swimming Data**

As of October 2017, schools have the responsibility of publishing swimming data. This data should express how the children have met the National Curriculum expectations in KS2. By the end of Year 6 children should be able to: swim 25m, use a variety of different strokes (breast stroke, back stroke, front crawl) and be able to perform a safe self-rescue. Details of children who have met curriculum objectives in Year 4 (current Y6s) can be found below:

Number of children: 60		
Swimmer (Have met national curriculum expectations)	13	22%
Non Swimmer (Have not met curriculum objectives)	47	78%

**Sports Premium Funding 2018-2019 Provision**

**The Sports Premium Funding 2018-2019 for The Grange Primary School is £16,000 + £10 per child.**

This is used to increase the quality and breadth of PE and Sport Provision and increasing participation in PE and Sport by: -

- developing an annual bespoke PE and Sport Action Plan
- promoting a cross-curricular approach to PE
- providing curriculum support, such as using a high quality, skills based PE scheme and excellent CPD for teachers and learning assistants
- ensuring the provision of High Quality Coaching support across a variety of sports
- ensuring the provision of an after-school activity in every term in a variety of sports
- Identifying opportunities for young leaders to practise their skills through volunteering in schools
- Improving the quality of materials for PE/Sport in our school.

### Actions

- Provide high-quality PE lessons through the use of professional sporting coaches.
- To implement the 'Golden Mile' across the whole of the school, to promote being a healthy school.
- To raise the awareness of disabled sports, through introducing disabled hockey. The scheme of work is to be produced and trialled in Year 1 and 6.
- Provide extra-curricular sporting clubs to increase the opportunities for our children.
- To purchase additional equipment needed for PE Lessons and after-school clubs.
- Compete in small local games, against other schools, to build confidence, resilience and sportsmanship.
- To increase the confidence and subject knowledge of teachers by providing training opportunities.

### Expenditure (2018-2019)

PE Funding: £19,000						
Description	Year Group	Amount	Numbers			
Summer 2018			Total	Boys	Girls	PP
Premier Sport + Archery after-school club	Y3/6	£2,400	Y3 - 60 Y6 - 59	33 (55%) 37 (63%)	27 (45%) 22 (37%)	28 (47%) 31 (52%)

Multi- Sports after-school club KS2	Y5 & Y6	£750	17	11 (65%)	6 (35%)	11 (65%)
Multi- Sports after-school club KS2	Y3 & Y4	£750	20	12 (60%)	8 (40%)	5 (25%)
Scunthorpe Multi-sports KS1	Y1 & Y2	£360	21	13 (62%)	8 (38%)	3 (14%)
<b>Total Autumn summer spend:</b>	<b>£4710</b>					

#### After-school clubs

### Overall Impact and Sustainability

#### Autumn Term 2018

- The multi- sports club has given the children a wide range of sporting opportunities to take part in. The children themselves have been deciding which sports they want to have each week: giving them ownership of their learning. The children have been extremely enthusiastic about the sessions and have spoken highly about the provision.
- Through Breakfast Club, Premier Sport are giving children an active start to their school day.
- To promote a healthy school, we have introduced the 'Golden Mile', which encourages every child to run a mile a day. This has increased their fitness and seen an improvement in their resilience towards sports.
- Since observing outstanding practice at another school and follow up training, a scheme of work is currently under development to implement disabled sports into our PE curriculum. Year 1 are going to be trailing Disabled Hockey in their weekly PE lessons in Autumn 2.
- Staff have improved their subject knowledge and quality of delivery, through observing best practice from the professional sports coaches.
- The quality of PE equipment has improved, since we successfully secured a Premier League Primary Stars grant.

## SPORTS PREMIUM 2017-2018

### What is the Sports Premium? Information from [www.gov.uk](http://www.gov.uk)

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16, 2016/17 and 2017/18 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The money can only be spent on sport and PE provision in schools.

*Recently the government have committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million.*

#### How to use the PE and sport premium – from [www.gov.uk](http://www.gov.uk)

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years.

### Our Vision

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

### Sports Premium Funding 2017-2018 Provision

#### The Sports Premium Funding 2017-2018 for The Grange Primary School is £15,000

This is used to increase the quality and breadth of PE and Sport Provision and increasing participation in PE and Sport by: -

- developing an annual bespoke PE and Sport Action Plan
- promoting a cross-curricular approach to PE
- providing curriculum support, such as using a high quality, skills based PE scheme and excellent CPD for teachers and learning assistants
- ensuring the provision of High Quality Coaching support across a variety of sports
- ensuring the provision of an after-school activity in every term in a variety of sports
- Identifying opportunities for young leaders to practise their skills through volunteering in schools
- Improving the quality of materials for PE/Sport in our school.

#### Actions

- Promote active lunchtimes with a high quality sports coach to organise games and activities, which all children can access freely. Teach the lunchtime games in PE lessons and encourage lunchtime supervisors to promote these. Play leaders in Y2/Y4/Y6 to continue to help run the games.

- Provide extra-curricular sports clubs, such as Multi Sports and 'Football Rounders', across both KS1 and KS2.
- Introduce 'Talk for Writing' in PE to encourage cross-curricular learning.
- Teachers to teach the Project Hero PE scheme, which promotes active learning, physical engagement and social development.
- Ensure that all PE lessons are inclusive to support children with SEND and disabilities.
- To purchase additional equipment needed for PE Lessons and after-school clubs.
- Purchase court markings on the playground to allow children to play netball, football and hockey during PE lessons and afterschool clubs.
- Compete in small local games, against other schools, to build confidence, resilience and sportsmanship.
- To increase the confidence and subject knowledge of teachers by providing training opportunities.

After-school clubs

---

**Overall Impact and Sustainability**  
**Autumn Term 2017**

- ⤴ Due to the new skills based approach, children will begin making progress in a wide range of sports (including those not on the curriculum).
- ⤴ As PE lessons have a skills based approach, PE lessons are now more inclusive: allowing children with SEND and disabilities to participate and make good progress.
- ⤴ Children are enhancing their skills in preparation to compete in a range of sporting events outside of school, to promote teamwork, competition, sportsmanship and resilience.
- ⤴ Children are becoming more active at lunchtimes, working closely with an outside coach to enhance their skills and promote a more positive attitude towards sport.
- ⤴ With the vast array of sporting activities, including those offered as after school sports, has seen an increase in the number of children engaging in physical activities. There has been a particular increase in the number of KS1 children participating and showing a passion for sport this term. Attendance registers support this.
- ⤴ A cross-curricular approach implemented through the Project Hero PE scheme, delivers educational activities that provide functional context for all curriculum areas, especially English and Maths. The application of prior knowledge is encouraged to solve problems and physical challenges.
- ⤴ As a result of the 'Talk for Writing' lessons, lessons are cross-curricular, children are more engaged and enthusiastic towards a variety of sports and the children are consistently learning and applying new technical vocabulary.
- ⤴ The play leader system is sustainable through pupil mentoring and shadowing, allowing children to pass on their skills to the next group of children who will lead.

### **Spring Term 2018**

- ⤴ Since having training, the teachers are now consistently using the 'Project Hero' scheme of work to teach PE. This has ensured that the teaching of PE is now more consistent and skills can be built upon fluently as the children progress throughout the stages.
- ⤴ Teachers are now also implementing 'Never Heard the Word Grids', which has seen an improved attitude towards learning technical vocabulary and encouraged children to use it during the PE lessons- particularly when assessing performances.
- ⤴ The Project Hero scheme of work teaches a variety of sports throughout each term. Through the teaching of skills throughout different sports, it has allowed the children to practise their skills in a variety of ways. For example, in Year 5, 'balance and coordination' is taught through gymnastics, dance, athletics, netball and football. As each week provides the children with different opportunities, it has seen the engagement and enthusiasm towards PE significantly improve.
- ⤴ Children are continuing to enjoy more sporting opportunities at dinner times with outside providers. So far this term, they are particularly enjoying football and dodgeball.
- ⤴ Since the PE lead has attended Active 30:30 training, it is now being implemented in the classrooms. Active 30:30 has been developed to help schools reduce sedentary behaviour and increase physical activity outside the PE Curriculum.
- ⤴ Since we have purchased court markings for the playground, there are more opportunities for children to access a variety of sports during PE lessons. Children are also using them independently during break times. As it allows them to set up their own games, it is contributing

to more active break times.

- ⤴ The whole school promoted and raised awareness of Sport Relief through a whole-school Danceathon. All children learnt the same routine in their classes, every day, for 3 weeks. This was then performed as a whole school in a special Sport Relief assembly. The whole school will be participating in Soccer Aid in the Summer Term.
- ⤴ Breakfast club now has sporting opportunities each week, which has promoted a healthier and active start to the day. Children have particularly enjoyed archery.

### **Summer Term 2018**

- ⤴ Premier Sport have had a positive impact and implemented a variety of new sporting opportunities in our Breakfast Club. So far, children have participated in; archery, dodgeball, badminton and table tennis.
- ⤴ Premier Sport have delivered high quality hockey lessons to Year 5, which has prepared them to be able take part in a hockey match. Staff have received valuable CPD opportunities through working closely alongside Premier Sport.
- ⤴ Since the PE coordinator has attended CPD aimed at introducing a variety of new sporting opportunities, we have chosen to introduce disabled hockey into the PE Curriculum. We have purchased a full class kit to allow all children to participate fully in their PE lessons. Being able to participate in disabled hockey aims to raise the profile of Paralympic sports and offer a wider range of sporting opportunities for all children. Further training is going ahead this term. Once the children have had become competent in the sport, we aim to hold a Paralympic Inter-house competition.
- ⤴ There has seen an increase in participation in extra-curricular sporting clubs. Children are attending Multi-sports and Archery. Archery has given the children the opportunity to try a new sport. This has also been integrated into breakfast club, to develop skills further.
- ⤴ A wide variety of sports are now being offered to breakfast club, to promote a healthier and more active start to the day. Premier Sport offer different sports each week, so far the children have participated in; hockey, table tennis, archery, badminton, football and bench ball.

**SPORTS PREMIUM  
2016-2017**

**What is the Sports Premium?  
Information from [www.gov.uk](http://www.gov.uk)**

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16 and 2016/17 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. The money can only be spent on sport and PE provision in schools.

*Recently the government have committed to funding the primary school Sports Premium up until 2020 - an investment worth £750 million.*

**How to use the PE and sport premium – from [www.gov.uk](http://www.gov.uk)**

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years.

**Our Vision**

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

**SPORTS PREMIUM  
2016-2017**

**Sports Premium Funding 2016-2017 Provision**

**The Sports Premium Funding 2016-2017 for The Grange Primary School is £9588.00.**

This is used to increase the quality and breadth of PE and Sport Provision and increasing participation in PE and Sport by: -

- developing an annual bespoke PE and Sport Action Plan
- providing curriculum support, such as the Rawmarsh PE scheme and high quality CPD for teachers and learning assistants
- ensuring the provision of High Quality Coaching support across a variety of sports
- ensuring the provision of an after-school activity in every term in a variety of sports
- identifying opportunities for young leaders to practise their skills through volunteering in schools
- improving the quality of materials for PE/Sport in our school.

**Actions**

- Continue with Active Lunchtimes. Teach the lunchtime games in PE lessons. Up-skill lunchtime supervisors with the rules of the games and train pupil Play leaders in Y2/Y4/Y6 to help run the games.
- Provide extra-curricular sports clubs, such as Cross-country and Street Dance after-school clubs currently running for Y3, 4, 5 & 6 and the Football club in Y1, 2 & 6.

- Provide specialist sessions in a wider range of activities not on the PE curriculum. Two hours per week in-school specialist coaching throughout the school year for Multi-Skills currently running in Y4 and Y1 and Zumba in Y2 and Y3. £3360 allocated to-date.
- During the Spring term, there will be a further two hours per week for In-school coaching for Basketball in KS1 and 2 on a rota half-termly basis.
- Include children with SEN and Disabilities in PE and Sport Activities (such as Boccia).
- Teachers teaching specific PE skills using the Rawmarsh PE scheme. Consistent use of the key skills to ensure fluidity and coverage of lessons.
- Purchase additional equipment/resources for PE/swimming lessons, after-school clubs and lunch-time activities. Also, new spare PE kits for each Key Stage group and Play Leader vests for each Play Leader.

### **Expenditure (2016-2017)**

*Kindly note that the provision for the funding is being accounted for in the school's financial year, which runs from April to April. This means from Summer Term 2016 to end of Spring Term 2017.*

<b>PE Funding: £9588</b>						
<b>Description</b>	<b>Year Group</b>	<b>Amount</b>	<b>Numbers</b>			
<b>Summer Term 2016</b>			<b>Total Pupils</b>	<b>Girls</b>	<b>Boys</b>	<b>PP</b>

<b>Total used:</b>		<b>£10255</b>				

### After-school clubs

This Summer term there are four after-school clubs linked to sports:

1. Multi-sports for Years 3 and 4
2. Multi-sports for Years 5 and 6
3. Football for Years 4 and 5
4. Netball for Years 1 and 2

### Overall Impact and Sustainability

- ⤴ The children are enjoying PE and making progress with their skills in a wide range of sports (including those not on the curriculum). Increase in the number of children attending the range of after-school clubs on offer. Children attending these clubs regularly have also shown more improvement within their PE lessons.
- ⤴ More children are involved with the activities ran through the Play Leader lunchtime scheme. Children are becoming more familiar with the rules of the games and are working better in teams.
- ⤴ Activities such as the introduction of Zumba, Street Dance and Rocketball have enhanced the variety of our offer to pupils. With the vast array of sporting activities, including those offered as after school sports, has seen an increase in the number of children engaging in physical activities. This is supported by attendance registers. Clubs are oversubscribed.
- ⤴ The provision of football, cross country and bench ball is enhancing our children steam skills and competitive qualities in preparation for them participating in competitions in the future.
- ⤴ Discipline and development of co ordination and rhythm, memory retention, pace are all being improved through our provision.
- ⤴ Children have a better appreciation and understanding of the importance of sports and the impact of this on their daily and future lifestyle choices.
- ⤴ Sustainability of the actions from funding is gained through staff development and purchase of resources.
- ⤴ The play leader system is sustainable through pupil mentoring and shadowing, allowing children to pass on their skills to the next group of children who will lead.

## School Sports Premium Funding 2015 to 2016

**In total The Grange Primary School received a grant for the amount of £9588 for 2015 to 2016.**

- Mrs Binch teaches all PE and sport within The Grange Primary School, including after school clubs and taking the children to competitions, and is the PE coordinator.
- She has trained Lunchtime Supervisors in playground games to encourage the correct behaviour at lunchtime.
- New equipment has been bought to enable the children to practice for competitions and she is also working towards the School Sports Kite Mark.
- To date the children have been involved in **eight sporting activities** away from the school premises at a total cost of £688 for transport.
- Learning Assistants are supporting two after school clubs at an approximate cost of £1110 and £993 has been spent on new equipment.
- Training, Off That Couch Fitness, was provided as a cost of £150 and two agreements/ licences were purchased at a cost of £1235.
- Overall £6832 of the allocated money has been spent to date, children are having more opportunities to join in competitions and the variety of PE has been widened to include sports such as Boccia, which is a Paralympic sport.

### **Autumn Term 2015**

- 63 children have represented the school (context: 39 boys and 24 girls; 30 children qualify for Pupil Premium and 11 children who have taken part have Special educational Needs).
- Competitions entered:
  1. Y2 Dodgeball
  2. Y3/4 Rugby
  3. Y5/6 Rugby
  4. Y5/6 Football
  5. Y3/4 Sports Hall Athletics
- 39 KS1 children attended a sports specific after school club - 16 girls of which 14 are in Year 1 and 2 in Year 2 and 23 boys of which 12 are in Year 1 and 11 in Year 2.

### **Impact**

- The children are enjoying PE and making progress with their skills. Many children are attending after school clubs, especially in KS1 where it is multi-skills. Children attending this club regularly have also shown more improvement within their PE lessons.
- The after school clubs in KS2 have been mainly focused in line with the competitions; these children have first refusal to enter the competitions to represent the school.
- It has been noted by members of the School Sports network how many competitions we have entered and the enjoyment and positive behaviour of our children has been acknowledged.

## School Sports Premium Funding Statement 2014 to 2015

Period 1<sup>st</sup> September 2014 to 31<sup>st</sup> March 2015

### What is the Sports Premium?

The government is providing funding of £150 million each year for academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. This funding will continue until 2020. The funding is jointly provided by the Department for Education, Health and Culture and Media and Sport. It will see money going directly to primary schools to spend on improving the quality of sport and P.E; each school will receive £8,000 plus an extra £5 per pupil each year for the next two years - here at The Grange Primary School, this will mean around approximately £10,000 a year. The money can only be spent on sport and PE provision in schools. The purpose of the funding is for schools to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

### Our Vision

Physical education is extremely important to us at The Grange Primary. We recognise the contribution of PE to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

- Spring Term 1<sup>st</sup> half - activity skill focus was on Invasion Games, teaching learning, passing and shooting techniques as well as special awareness and teamwork.
- Spring Term 2<sup>nd</sup> half - focused on fitness. Our aim is to improve the overall fitness of our pupils and to encourage and promote exercise in everyday activities.
- Summer Term 1<sup>st</sup> half – focused on hand-eye coordination through racket sports (tennis and rounders)
- Summer Term 2<sup>nd</sup> half – preparation for sports day.

Along with our pupils receiving a minimum of one hour of PE per week, we also offer the pupils a choice of activities and quick five minute activities for the class teacher to use in the classroom.

We provide a minimum of four afterschool clubs which change on a termly basis such as: Multi-skills, Skipping, Football, Cricket and other team sports.

We have purchased the updated version of the Rawmarsh PE Scheme. This provides us with many ideas for activities and lesson plans, enabling all staff to update their CPD and information to teach PE Lessons.

**In total The Grange Primary School received a grant for the amount of £5571 (1<sup>st</sup> September 2014 to 31<sup>st</sup> March 2015) to fund PE & Sports for both KS1 & KS2.**

This has been accounted for by the following:

#### External PE Expertise

- SD  
Tuesday Morning - Infant site  
Thursday Afternoon - Junior site
- Scunthorpe United  
Monday Afternoon – Junior site  
Tuesday Afternoon – Junior site

Friday Morning – Infant site

- SB PE Co-ordinator of high quality sports and PE lessons – 1.5 days covering both sites when required
- Rawmarsh PE Scheme

**Total Spend**                      **£8150**

Grant:                                      £5571

Expenditure:                            - £8150

**TOTAL:**                                    **-£2759 over spend**

**Impact**

- Healthy lifestyle promoted through regular exercise – fitness
- More structured activities available encouraging active participation by a wider group of pupil eg skipping, hoops, tag games (delivered by Buddys)
- Pupils who need extra swimming tuition (encouraging confidence in water) – 80% to be able to swim 10m by the end of six weeks
- Planning and continuity of specialist, high quality provision – differentiated delivery
- Pupils have access to a wider range of after-school clubs which are regularly oversubscribed - enjoyment of PE reflected in the uptake of clubs
- Routes provided to access more sports provision outside of school or what school is able to provide
- Pupil's at the school will have more opportunities to take part in more competitive inter-school competitions (beginning September 2015) – Silver Level
- More pupils bring their P.E. kit every day
- Pupils are showing much more positive attitudes towards P.E. and are much more enthusiastic about sports
