Foundation Stage Tapestry Workshop

Dear Parents/Carers

The Foundation Stage Team have created an individual 'Learning Journey' for your child through a piece of educational software called 'Tapestry'. By logging on with a secure username and password you will be able to view some of your child's observations, photographs and even videos from their time in the Foundation Stage. You will even receive an email telling you when a new observation or piece of work is available for you to view. This will enable you to follow your child's progress closely and you can reflect upon achievements with your child. You can add comments so that, we as a staff find out about which activities your child really enjoys and about the learning they get up to at home. Staff will reference your child's learning to the EYFS profile so you will know which area of learning your child is achieving in and the age-band they were working in for that activity.

Please note this is just one of the many forms of assessment we use, so whatever is on Tapestry is not the only information we use to assess your child's development. All of this information is stored on a highly secure server which is monitored closely.

We are inviting you to a **Tapestry Workshop on Tuesday 24th September 2019, at 9am**. This will take place in the main hall. This is an opportunity for you to find out more about how we use Tapestry in school and how you can access it at home with your child.

We look forward to seeing you.

The Foundation Stage Team.
