Great Reasons to try a *School lunch*

Only £2.30

All reception, yr1+yr2 children get to eat for FREE, saving you over £700 per child per year (£700)

Just £2.30: the price of a school meal for junior pupils is still great value!

We cater for most special diets and are allergen compliant

We have a fun and exciting theme day calendar

Our menus meet the School Food Standards—helping children develop healthy eating habits

Our skilled local catering teams proudly provide over 8,000 meals with passion and skill across the local economy

To join our team and for the latest vacancies in catering and cleaning contact us on (01724) 297910

How do I pay for school meals?

You can pay for school lunches in a few different ways depending on your school—this could be online, cash or cheque
Please check with your school first.

Quality food USING *Quality Ingredients*

Fresh food you can trust freshly prepared on site everyday using quality ingredients

Free from controversial additives, artificial trans fats and genetically modified ingredients

All our fresh meat is Red Tractor quality assured and sourced mainly from farms in the Humber and Yorkshire region

We only use local free range eggs

Almost half of all our fruit and vegetables are UK origin and procured as locally as possible

All our fresh milk is produced locally in Driffeld

We serve fish that is Marine Stewardship Council (MSC) certified

Bread is freshly prepared on site everyday

If your child is eligible for a free school meal in relation to a benefit entitlement you still need to register.
