Quality Food

Using

Quality Ingredients

Fresh food you can trust - Freshly prepared using high quality ingredients

Free from controversial additives, artificial trans fats, and not genetically modified foods

All our fresh meat is Red Tractor quality assured and sourced mainly from farms in the Humber and Yorkshire region

We only use local free range eggs

Almost half of all our fruit and vegetables are of UK origin and procured as locally as possible

All our fresh milk is produced locally in Driffield

We serve fish that is Marine Stewardship Council (MSC) certified

Bread is freshly prepared on site every day

Your child has already enjoyed the meals - the food is as good as ever, it's only your child's age that's changed

Superb value - a 2 course freshly cooked meal using quality, local produce for less than a high street coffee

Your child will continue to be introduced to new tastes

Buying a school meal helps your school offer the service

It is widely recognised that children perform better when well fed

Here's a selection of our most *popular* *menus...*

.....

The School Catering team are passionate about providing high quality, fresh and tasty lunches to the pupils of North Lincolnshire.

Our kitchen teams proudly provide over 7,000 freshly cooked meals daily, with passion and skill, to over 60 schools across North Lincolnshire.

We use local suppliers for more than a third of our food buying, which provides over £700,000 per year to the local economy.
