

Jane Considine Unit Coverage 2021/22

At The Grange Primary School, we follow the Jane Considine approach to reading and writing, supporting our pupils to ‘read as writers’ and ‘write as readers’. As such, our rich text-based approach to writing supports this ethos, exposing our pupils to a wide range of text types, authors, language and sentence structures. Each year group has chosen Jane Considine ‘Write Stuff’ units to focus and develop writing in line with National Curriculum expectations. Additionally, these units supplement foundation subject teaching, making links to topics where possible, so that pupils are able to make meaningful connections. Each unit is further tailored to suit the needs of the cohort, where necessary, in order to support pupils of all abilities to develop and succeed as writers.
