

Thrive Ambassador Schools and Schools of Excellence awards scheme

Does your school showcase exemplary Thrive® practice?

Is your setting an inspirational space where staff go above and beyond to make a positive impact on students and the wider community?

Has your school met the criteria to use the 'We have embraced Thrive in our setting' logo?

If so, we'd like to celebrate your extraordinary commitment to developing healthy, happy children by welcoming your school to the Thrive Ambassador Schools and Schools of Excellence awards scheme.

Your school can apply to become a Thrive Ambassador School in one or more of these areas:

Leadership, Right-time, Reparative, Relationship, Environment

If your setting demonstrates excellent practice in all five areas, you will be awarded Thrive School of Excellence to celebrate the overall standard of your settings approach to mental health.

The process will involve your setting completing a short self-assessment form and making contact with the

Member Services team during the application window. We will then arrange a virtual visit to learn more about all of the amazing things you do while verifying the information provided. Schools who are successful will be recognised with a brand new and exclusive logo along with a certificate to celebrate their achievements.

Application windows:

Autumn term:

1 September - 30 November

Spring term:

1 January - 28/29 February

Summer term:

1 April - 30 June
