

The Grange Primary School - PSHE curriculum

PSHE and RSHE statement for parents / carers,

In response to the statement in March from the secretary of state for education, Gillian Keegan, explaining that *"schools can and should share curriculum materials with parents"*, the materials used to teach PSHE (Personal, Social, Health and Economic) and RSHE (Relationships, Sex and Health) Education at the Grange Primary school are available upon request. The PSHE team will then be happy to invite parents into school to share materials with them in person, which enables the school to explain how the subject materials are used in the classroom, and how we may have adapted them in line with each pupil's level of understanding and agreed school policies, so that the context can be fully explained and any questions and concerns can be addressed clearly and quickly.
