Attendance

School attendance is 92.1%

After half term, please look out for our new attendance signs around school, which highlight the importance of regular attendance and how every day in school helps children thrive.

Our recent Project Based Learning challenge has empowered children across Key Stage 2 to take ownership of the Rainbow Walk sensory garden area.

Reception have been very excited to watch their eggs hatch into fluffy chicks this term!

The children have loved observing the changes each day through this hands-on experience.

The children carefully selected plants to appeal to the different senses, including grasses with a variety of textures and even a flower with a wonderful chocolate scent!

Our Year 5 Reading Ambassadors have been enjoying spending time reading with younger children and helping to foster a love of books across the school. They have also been playing games together to support the development of language and communication skills in a fun and engaging way.

The North Lincolnshire Summer Reading Challenge begins on Saturday 4 July and will run to Saturday 5 September. Find out more at the local library.

Children across the school had great fun taking part in the Ninja Run with Get Ahead, enjoying an exciting challenge while keeping active together. The event encouraged teamwork, resilience and healthy lifestyles.
